Um multis ab hinc annis complacitis Orlandi Lessius modulos summa diligentia vadiq; conquirere & colligere instituissemus, ut ex eis libris aliquot iuste magnitudinis conficeremus, typisq; manderemus, ac distillatim per totius superiorib; debui hunc primam typis nostris commendandum, atq; edendum curamus, alios deinceps, & suo quocunq; ordine edunt. Quos cum sine aliquo patino curare nollemus, te potissimum delegamus, sub cuius auspicio nomina, factiq; rebus in mentibus hominum, Minice studiosorum, versarentur. Nam cum iam antea compertum haberemus, te Musicam, & eius cultores magni facere, valdeq; amare, ut & omnia alia res honestas, gratiq; laudabile summo studio, seq; amore complecteris, tam super, cum Orlandus Lessius te, ut eius manus ostendit, tuamq; maiestatem potenter ad decessu salutaret, aditiss; sic vidi, quasi ea, quae oculis ostenduntur, quantum honorem Musicis, & Musice tribueres. Nam, ut nulla faciam, ac taceam munera plane regia, quae in Orlandum contulisti: in sui ipsius vultu, ea frons, ea oratio, quibus puerum ad te venerem Orlandum acceptu, (cuius rei complures testes fuerunt) vix vere gloriam passa, te in panes, qui hoc anno peregrini ad te venerunt, tantum honore, & mirans, liberatibus contulisti, quantum in eum contulisti. Neq; verò ego Adrianus Regius, cuius & typographus tuus, dulcis illiusque equitatis atq; humanitatis perfrua. Nam cum ego cum ad te euntem praefectus essem, quod in apud me, quodvis Lucius fuit, decessus est, quicq; tu me, quando in tua aula & cohorte fuimus, comitem ille semper assiduum iudicis mihi fuit, seq; verum de Musice personis datus es, mecumq; perhumaniter, & valde comiter, ac liberaliter locutus es. Ex quibus omnibus cum curis intelligere horatib; Musicum esse valde gratam, curam, & commendare non potui, aliam, quam te, neq; huius libri, neq; aliorum, qui hinc deinceps sequuntur, personam, nobis esse querendum. Itaq; & hinc, & ceteros tibi consecrare cogitamus, hinc vnum ab te petentes, ut nos, quorib; tua humanitas & voluntas operatur, seq; inferre iussisti, merentem, diligenter & studiose tue voluntati, tuosq; impensos semper vbiq; ad hoc paratos, sumptusq; paratos fore.
